## Webinar Friday morning 3rd December, between 10 - 12 CET,

The Consortium implementing the European Tracking Services for Pensions (ETS) Project is inviting you to a webinar exploring the topic of pension communication in Europe.

**Part one:** is dedicated to pension communication and pension tracking practices and needs, presented from different perspectives by

- Marjolijn Bulk - FNV, member of OPSC
  - Giulia Conforti - EIOPA
  - Prof. Lisa Brüggem - University of Maastricht
- followed by a panel discussion.

**Part two:** the ETS project partners will provide an update on the project implementation with a special focus on the pilot ETS website: [www.findyourpension.eu](http://www.findyourpension.eu). A topic for discussion will be how to design information specifically for mobile workers, following a cross pillar and a cross-country approach.

The detailed programme of the ETS webinar is available [here](#).

The ETS Consortium is organizing its event as part of the European Retirement Week, which will begin with a launch event on 29 November, featuring a keynote speech by Mairead McGuinness, European Commissioner for Financial Services, Financial Stability, and the Capital Markets Union. You can register for the opening event of the European Retirement Week [here](#).

The European Retirement Week is organized from 29 November to 3 December at the initiative of 11 European associations with the goal of providing a platform for a wide range of stakeholders to debate the future of pensions in Europe and raise citizens' awareness of the need to save for retirement. More information on the European Retirement Week is available [here](#).
